

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 26, 1996

SUBJECT: **SB 2124 - HB 2356**

This bill, if enacted, will require that the local board of education for each local education agency operating one or more high schools, shall select each year four high school students to serve as advisory, non-voting members of the board. The students will serve without compensation but may, at the discretion of the board, be reimbursed for reasonable and necessary expenses.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive. To the extent local boards of education choose to reimburse such students, local expenditures will increase. However, such increase is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
